LIGHT OF LIFE

Mike & Peggy Yost

Provisions from the Lord

We all are blessed with provisions throughout our lives. We who follow the Lord know where those provisions come from even though the world thinks that they provide their own.

One of the things that the Lord has provided us is a team of medical professionals who love us and guide us in our medical needs. Serving at a hospital even though it is located at the edge of a jungle in a third world country has many benefits. A loving medical staff is one of them. Our medical staff having connections with medical professionals who come and serve short-term and consult with them throughout the year is another blessing.

As we mentioned in last month's letter, Mike has been diagnosed with cancer and our trip to Washington State was successful. He went through a couple of surgeries and all went well. God used our missionary family to provide for all our needs on that trip and we are so grateful to Him and all who were involved. The surgeries were the first step in the treatment process and now we face some long-term treatment plans. Mike had it set in his mind that he would not subject himself to any other treatments and let the chips fall where they may. We all have experienced people we know and love going through tough life situations. After consulting with more than nine different medical professionals who recommended the same treatment plan, he has recognized that there may be better options for him.

So we will be returning to Ohio to undergo a chemotherapy treatment plan at the end of November. We will quarantine for two weeks and begin treatments in December. We anticipate the program will take about 5 months. We are blessed with a place to stay for the duration of our program.

We trust this is the Lord's guidance and we trust Him for a good outcome. We appreciate your prayers and support as we navigate this time in our lives. We look forward to returning to Honduras to complete what the Lord has called us to do that we love so much.

Filling the Gap

We continue to bring forward this very important need and ask that you pray with us. The Loma de Luz ministry continues to grow both physically and spiritually. In the last 16 years that we have been part of the ministry, there has always been some type of expansion going on. We are so grateful for all the people who have come to serve in the maintenance/construction area over the years. We are praying for additional full-time supervision. Please lift this need in your daily prayers. Thank you so much.

Praises & Prayer Requests

Praises:

- Praise that we were able to come home to Honduras for a short time.
- Praise that all went well in our last trip to the United States.
- Praise that we are surrounded by so many great people who love us.
- Praise that God is always in control and we can share that freely.

Prayers:

- Pray for our travels and good medical outcomes.
- Pray for our immigration papers to go through. They are lost in a Covid 19 'cloud.'
- Pray for our family to be at peace.
- Pray for additional maintenance staff for Loma de Luz.

With love, *Mike and Peggy*
